Why Sponsor the 2026 PSSNY Annual Convention?

Visibility. Access. Impact.

The PSSNY Annual Convention is the premier gathering of New York State's pharmacy community — attracting 200+ attendees across all practice settings, including:

- Independent pharmacy owners (40% of our members)
- Community, chain, and hospital pharmacists
- Faculty and students from schools of pharmacy
- Pharmacy technicians and emerging professionals

This diverse, decision-making audience gives sponsors the unique opportunity to reach the largest concentration of independent pharmacy owners in the country — while also connecting with the next generation of pharmacy leaders.

MOMENTUM FOR THE PROFESSION

PSSNY members are leading the charge in New York State — with legislative wins that advance pharmacy practice and protect independent ownership. Sponsors align their brand with a society that is growing in influence and impact every year.

What Attendees Said in 2025

"It was the best convention that I have attended in a while. It was very well organized. Everything was terrific."

"I love my profession and this is a great way to share ideas with other pharmacists. It is not only educational but nice to see friends in my profession."

"I believe the convention was one of the better conventions in the last few years. It was obvious the time and effort that went into planning the event. Job well done."
